

TASKS:

Tasks 1 & 2 are to be completed in both the web and code editors. The training materials will be available throughout

Task 1:

The company you are working for have asked you to create a short questionnaire to appear on their website and mobile app in order to see how easy they are to use respectively. You decide you want the final questionnaire to have the final format:

Section 1	
Title	Website Feedback
Description	Hi there, if you have a few minutes can you fill in our survey?
Multiple choice Question	Do you think our website is easy to navigate? Yes/No
Multiple Choice Question	Would you visit our website again? Yes/No
Textual Questionnaire	Any other comments? _____
Description	Thanks for filling in our survey

Task 2:

The company you are working for are planning to release a new smartphone and ask you to create a longer questionnaire for market research purposes. You and your team decide you want the questionnaire to have the following format:

Section: Start	
Title	Smartphone Survey
Description	This questionnaire will ask you a few questions about your smartphone
Multiple choice Question	Have you ever owned a smartphone? Yes/No If they haven't, go to the "don't own a smartphone" questions If they have, go to the "owns a smartphone" section

Section: Don't own a smartphone	
Textual question	What is the primary reason you don't own a smartphone?
Textual question	Would a significantly cheaper model convince you to buy a smartphone?
Description	Thank you for your time
Survey complete	

Section: Owns a smartphone	
Description	We will now give you a few questions about your smartphone

Multiple choice Question	Which of the following is the most important feature for you? Battery Life / Apps / Camera
Multiple choice Question	Is your phone an Android or an iPhone? Android/iPhone if they select Android go to the android sections if they select iPhone go to the iPhone section

Section Android	
Textual Question	Why did you decide to buy an android?
Multiple choice question	Do you regret not buying an iphone? Yes/No
Description	Thank you for your time
	Survey complete

Section Iphone	
Textual Question	Why did you decide to buy an iPhone?
Multiple choice question	Do you regret not buying an Android phone? Yes/No
Description	Thank you for your time
	Survey Complete
